One of my company's vendor went to AAA for his license renewal, 14 minutes in and out. I've heard of similar stories. My CDL renewal took 50 minutes at the Winsted DMV on a Saturday morning after stopping in Waterbury branch and seeing the line around the building. 50 minutes was a blessing! I'm in favor of expanding services to other vendor such as AAA. It's a shame the state bureaucracy we pay our taxes for, not the workers, can't get their stuff straight. Thank you.
